General Information

Location — The sale will be held at the Brush Livestock Commission Company Sale Yard at Brush, Colorado.

Terms — The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

Health — All cattle consigned to the sale will be tested for Bang's within 30 days prior to the sale. Each individual animal will be free from T.B., either by test or from a T.B. accredited area. A certificate of vaccination will be furnished for all cattle which have been vaccinated for Bang's disease and do not show a completely negative reaction.

All cattle will be accompanied by a health certificate which will admit the cattle to any state.

Guarantee — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

Announcements from the auction box will take precedence over printed matter in the catalog.

The above terms and guarantee constitute a contract between the sellers and the buyer of each lot. Neither the sale manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

ROAN STAMP -- A good, short-legged bull that is from the best cow in the herd. Not highly fitted as I just put him on feed March 20. His sire, Norseman Stamp, sired the grand champion carload of bulls at the 1956 National Western Sale at Denver. His dam, Princess Maxine, won her class at Denver in 1956.
